

## Content Guidelines

Roulette is committed to being a space where creativity, experimentation, and community respect thrive together. All artists, rental clients, audiences, and partners share responsibility for upholding these values.

### Our Values

- We foster an inclusive, welcoming environment.
- We respect the dignity and humanity of all people.

### Content Guidelines

We encourage creative freedom, but we ask that programming **not include content that:**

- Promotes hate speech, bigotry, or discrimination (including racism, sexism, homophobia, transphobia, ableism, or religious intolerance).
- Glorifies or trivializes sexual violence, harassment, or exploitation.
- Depicts gratuitous violence or abuse.
- Targets or mocks individuals or identity groups in ways that demean their humanity rather than challenge a position, behavior, or idea.

### Expectations

- Share this agreement with performers, collaborators, and others involved in your event.
- Flag potentially sensitive content with Roulette staff in advance so we can support you in making sure the event is a positive experience for all.
- Treat staff, artists, and audiences with respect at all times.

### Our Commitment

Roulette will:

- Provide a supportive venue for a wide variety of artistic programs and events.
- Take concerns about harmful content seriously.
- Work with you proactively to prevent issues and address them if they arise.
